Global News

[Earn CPE Credits Online & Stay Certified](#)

Choose from a variety of online training options, take OnDemand courses, or write questions for exams to earn CPE credit requirements by the 31 December deadline. IIA-certified individuals who meet CPE requirements can also opt in to the [Certification Registry](#).

[Learn more about CPE-earning options and the registry.](#)

[Register Now: Competency Framework Webinar](#)

On 7 and 8 December, The IIA is conducting a members-only global webinar on the Internal Audit Competency Framework. Senior Vice President of Training and Development, Lisa Hirtzinger, will provide an overview of how the framework provides a clear and concise professional development plan for internal auditors at every level of their career.

The Lessons and Learning Continue

The term “new normal” is somewhat a misnomer, as the changes brought upon by the COVID-19 pandemic are as fluid today and tomorrow as they were six months ago. Read this issue of *Tone at the Top* to understand the heightened risk-related strengths and weaknesses of the use of technology, business operations, workplace culture, and in the larger societal context.

[Download your copy today.](#)

Be Bound for Success

The Internal Audit Practitioner designation signifies internal audit aptitude and foundational knowledge of the *Standards*. Recent program updates provide greater opportunity to new and aspiring internal auditors seeking to gain experience, prove credibility, and pursue the Certified Internal Auditor® certification.

Take Personalized Prep to the Next Level

The IIA's team of CIA-certified industry leaders has updated the best CIA exam prep program to make it even better! The redesigned CIA Learning System offers unsurpassed exam alignment, a personalized study path, and customized study options for express success.

[Learn what's new for you.](#)

Are You Cyber Smart?

Though Cybersecurity Awareness Month is over, cybersecurity will continue to be an ever-evolving risk. If you missed it, *Internal Auditor* magazine examined 25 questions practitioners should be asking and key areas they should be exploring as they look to help protect their organizations.

NEW OnDemand Risk Training

Market risk is a key risk for financial services organizations. Regulators and their supervisors focus on this risk, emphasizing the necessity of having accurate models that can measure the capital impact of market activities on the financial viability of the institution.

Internal Auditor Newswire: International Conference Recap

Internal Auditor magazine reported daily on The IIA's 2020 International Conference, held virtually earlier this month. Keynotes focused on cultivating high-performance teams, solving systemic problems, and thinking outside the box. Other highlights included several awards presentations and the release of OnRisk 2021.

New IIA Report Yields Valuable Clues on Risks for 2021

OnRisk 2021: A Guide to Understanding, Aligning, and Optimizing Risk debuted earlier this month at The IIA's 2020 International Conference. In his blog, IIA President and CEO Richard Chambers shares five key observations from the report that reflect a broad array of challenges and areas for improvement.
